

# Jigsaw Puzzle

Welcome to Pacific Game's Jigsaw puzzle! This game is meant to be fun and help ease the stress of daily life.

## Instructions:

- ☺ Before playing, you will be asked to fill out a stress survey. This same survey will be given once you exit the game. This way, you'll be able to see if this game helps to relieve some of the stress you face in everyday life
- ☺ To view your survey results, press the "Survey Results" button. You can tell which survey was taken before and which was after based on the date and time of the results
- ☺ To upload an image to use for a puzzle, press the "Upload Image" button
- ☺ To browse the puzzles we already have, use the "Next" and "Back" buttons
- ☺ To choose a puzzle and start playing, click "play" under the puzzle you'd like to choose

- ☺ If you'd like to download more images, you can download more we have set up for you to play by clicking the "Download" button
- ☺ We have 5 different levels. To change levels, press the "Level" button and select which level you'd like to play on. Level 1 is a 4-piece puzzle, level 2 is a 25-piece puzzle, level 3 is a 36-piece puzzle, level 4 is a 64-piece puzzle, and level 5 is a 100-piece puzzle
- ☺ To stop the music, press the spacebar on your computer
- ☺ Most importantly, have fun with the puzzles! Solve away as your stress fades away!
